For Immediate Release:

We are proud to announce the release of [You're Very Beautiful](#) – a seven year glimpse through the lens of photographer Matthew Gallagher punctuated by the words of Domenic Palermo.

Through this visual tragedy Gallagher & Palermo illustrate that even when life seems to be at its most painful stages, we can still find satisfaction and – sometimes even a certain joy – in the devastation.

[You're Very Beautiful](#) is a rich story of life, love and loss told in pictures and prose. We find amongst the rubble and wreckage a tale of the adventures youth finds around ever corner, and of people and places in good times and bad.

There is beauty everywhere.
